

2 Dr. Dano M.

to return me to go to the demurrer and answer of Thomas Savadge one of
the defendants to the bill of complaint of Robert Charles
24 May 1595 John Bennett John Goodman and John Wright complainants
as the defendants by protestation say that the same bill of complaint is untrue ungrounded and insufficient
in the same to be answered unto devised by the said complainants of a trouble some disposition rather to put the said
defendants to wrongfull trouble expense cost and charge then for any just matter or cause either in conscience
equity or right they say and allege where matters therein contained if they were true are determinable
by the common Lawes of this Realme by which the said complainants may have their Remedy for which
causes as also for that the matters mentioned in the said bill appertain not, or should not to the defendants
to answer as the said defendants demurreth in Law upon the said bill and humbly submitteth himself to the
Judgement of this Court whether he be to make any answer thereto; But if by the order of this Court
the defendants shall be ruled to make any answer to the said bill; Then the defendants for answer
thereto saith (that to his knowledge) he hath not in his possession or keepinge neither at any time to his
like knowledge hath had the said supposed originall lease mentioned in the said bill of complaint to be made
by the said Gilbert Bourne unto the said complainants and other persons in the said bill named; But the same
lease if any sure be for any thinge this defendants knoweth is in the keepinge of the said complainants or
of some or one of them or of some other person or persons by their or some of their privies consent or appointment
where they may as this defendants supposeth have the same at their pleasure And this defendants is
perilled thereof to the said complainants goods or any sure Lawfull lease or estate of his in the said
England and elsewhere as is promised mentioned in the said bill from the said Gilbert Bourne as is spoken
of in the said bill; but if the said lease any lease the same hath some sure defects foyle or imperfection as
the defendants thinketh; And that the said complainants came to know the same which adventures
may hereafter appere and be manifested without that that any other matter or thinge contained
in the said bill materiall or effectuall by this defendants to be answered unto and not herein sufficiently
improved confessed or avoided traversed or denyed to the knowledge of this defendants is true which
this defendants is ready to avow and prove as this honorable Court shall award and prayeth to be
dismissed one of the same with his costs and expenses in this behalf wrongfullie sustained
